Prior Health Insurance Coverage

If you have had health insurance coverage in the last 12 months, provide a certificate of creditable coverage from the insurance company. Your claims may be pended until we receive the certificate of coverage from your previous health insurance company or until we receive evidence establishing creditable coverage. Applicants under age 19 do not need to provide a certificate of creditable coverage.

Policyholder's Name: _____

Name of Insurance Company: _____

Fax the certificate to: 970-263-5507 or attach it with this application.

Please note: If you currently have coverage on an RMHP employer group health plan, you will need to complete a form to disenroll from that plan. Do not disenroll until you are approved for and accept SOLO health care coverage. RMHP cannot disenroll you from your group coverage without your signature on the form. Please contact us and we will provide you the form you need to cancel your group health care coverage.

Pre-Existing Condition Limitation Period

A pre-existing condition is an injury, sickness, or pregnancy for which the Member has, during the 12 consecutive months immediately preceding the Member's effective date of coverage under the plan applicable, either: (a) incurred charges, (b) received medical treatment, (c) consulted a health care professional, or (d) taken prescription drugs. Except as set forth below, Rocky Mountain Health Plans will not pay for services related to a preexisting condition for 12 consecutive months after the Member's original membership Effective Date. (This 12 months is the pre-existing condition limitation period.)

Upon approval of your application, the length of the Pre-Existing Condition Limitation Period will be reduced or eliminated for you and each family member who has creditable coverage. The creditable coverage must have ended within 90 days prior to your enrollment in RMHP. Creditable coverage includes health care coverage provided under: (a) Medicare, Medicaid, or the children's basic health plan; (b) an employee welfare benefit plan or group health insurance or health benefit plan; (c) an individual health benefit plan; (d) a state health benefits risk pool (including but not limited to CoverColorado or (e) other federal coverage under title 10, chapter 55 of the U.S. code, a medical care program of the federal Indian health service or of a tribal organization, a health benefit plan offered under title 5, chapter 89 of the U.S. code, a public health plan, or a health benefit plan under section 5(e) of the federal Peace Corps Act. **Except as set forth below, you must provide proof of creditable coverage for every family member listed on this application who has had health care coverage within the last 12 months.**

Such creditable coverage reduces the Pre-Existing Condition Limitation Period by one day for each day of creditable coverage. For example: If you had creditable coverage for three months before enrolling in the SOLO plan and such creditable coverage ended 90 days or less prior to your enrollment date, then your Pre-Existing Condition Limitation Period will be reduced from 12 months to nine months. If the creditable coverage ended more than 90 days prior to your enrollment date, then the full 12-month Pre-Existing Condition Limitation Period will apply.

The insurance company or health plan that provided your previous health care coverage should have given you a certificate stating that you had creditable coverage and specifying the time period of such creditable coverage. If you are still covered under another health care plan or you do not have a certificate evidencing your prior creditable coverage, you can ask RMHP to help you obtain proof of creditable coverage. Contact RMHP at 970-244-7800, option 4 or 800-453-2981, option 4.

The Pre-Existing Condition Limitation Period, including the requirement to provide proof of creditable coverage, will not apply to you, or any family member, if you or the family member is under 19 years of age at the time of application. This exception to the Pre-Existing Condition Limitation Period is applied on an individual basis, and each individual must separately qualify for this exception.

Colorado law requires carriers to make available a Colorado Health Benefit Plan Description Form, which is intended to facilitate comparison of health plans. The form must be provided automatically within three (3) business days to a potential policyholder who has expressed interest in a particular plan or who has selected the plan as a finalist from which the ultimate selection will be made. The carrier also must provide the form, upon oral or written request, within three (3) business days to any person who is interested in coverage under or who is covered by a health benefit plan of the carrier.

An access plan is available for each managed care network offered by Rocky Mountain Health Plans to any interested party upon request. Such access plans contain information on providers, hospitals, referral and grievance procedures, quality assurance, access for members with special needs, emergency coverage provisions, and other information on how to access services.

Rocky Mountain Health Plans (RMHP) offers three different options for your SOLO premium payment. Check the box for the payment plan you wish to use:

- Monthly Bank Draft.** RMHP can withdraw your monthly premiums directly from your bank account. With this option, no invoice is mailed and you do not have to worry about mailing your payment in time. *Simply complete the Account Deduction Authorization form (below).* RMHP will draft your premium on the 4th of each month after you are approved.
- Monthly Credit Card Automation.** RMHP can automatically request monthly payment from your credit card company. With this option, there is no invoice sent and you do not have to worry about mailing your payment in time. As an added convenience, **you only need to give us your Credit Card information and approval one time.** *Simply complete the Credit Card Authorization form below.* RMHP will take your premium on the 4th of each month after you are approved.
- Quarterly Invoice Billing.** RMHP will mail you a quarterly premium billing invoice based on a calendar year quarter. This option requires pre-payment for the entire quarter. Quarterly payments are due the first business day of the month and the amount due is for the full three months. **This option requires an initial payment in order to begin your coverage. Please select an initial payment option:**
 - Bank Account Deduction Authorization.** Complete the form below. Only your first month's premium will be deducted. You will be sent a bill for all premium amounts due for the remainder of the quarter. (If your coverage is effective the 15th of the month, the first month's premium will be prorated.)
 - Credit/Debit Card Authorization.** Complete the form below. Only your first month's premium will be deducted. You will be sent a bill for all premium amounts due for the remainder of the quarter. (If your coverage is effective the 15th of the month, the first month's premium will be prorated.)
 - Pay by check.** You may include a check for the first month's premium with your application. You will be sent a bill for all premium amounts due for the remainder of the quarter.
